

## JOINT COMPANY PRESS RELEASE

PerkinElmer, a global leader focused on improving the health and safety of people and the environment, has chosen Interchim as non exclusive European Analytical Sciences consumables distributor.

Interchim specializes in the distribution of consumables and manufacturing of solutions for research and industry.

### *PerkinElmer*

“Interchim’s focus on providing application-oriented solutions for its environmental customers parallels our commitment to bringing together technologies for segment-specific needs,” said, **Andrea Beccari, vice president, Analytical Sciences Global Sales, PerkinElmer**. “We look forward serving our mutual customers in Europe to help them solve real-world problems.”

### *Interchim*

“ I am particularly proud, said **Lionel Boch, President du Directoire-Interchim**, that PerkinElmer has chosen Interchim to distribute its Analytical Sciences consumables throughout Europe. This recognition of our expertise in terms of distribution reinforces the solutions and the quality that we have been delivering for nearly forty years to our customers. PerkinElmer will enable us to enlarge our product range and to strengthen our offering for the environmental market. This partnership is a new opportunity to bring our customers even more solutions with the addition of PerkinElmer range.”

*Cheshire Sciences is a UK subsidiary of Interchim*
